Thank you for considering working with me. This document contains important information about Eden Energy Medicine (EEM) and what you can expect during our session. Please read it carefully and note any questions you might have.

WHAT IS ENERGY MEDICINE?

Energy Medicine is an approach that involves balancing and restoring your body's natural energies for the purposes of increasing your vitality, strengthening your mental capacities, and optimizing your health. Because I balance the energy systems of the body, ie. Aura, Chakras, Meridians, Electrics etc., ANY health issue is welcome in my office. The form of Energy Medicine I use was developed by Donna Eden and is described in her book, *Energy Medicine*.

ENERGY MEDICINE IS NOT THE PRACTICE OF MEDICINE

Energy Medicine is a term used by many training programs that teach people how to assess and correct for energy imbalances in the body. I do not diagnose or treat medical or mental health disorders, nor am I trained or licensed to do so. Energy medicine attempts to optimize the body's overall health and vitality, but it is not to be used instead of appropriate care from a licensed professional.

Our Work Together

I will apply Energy Medicine procedures that are designed to enhance and balance the flow of the body's natural energies. You can expect me to approach my work with you in a professional manner, to honor scheduled appointment times, and to treat any information I learn about you as confidential.

Energy Medicine techniques bring disturbed energies back to a state of balance and harmony. Generally, these techniques will consist of various forms of light or deeper touch and the movement of my hands within your body's energy field. If you are uncomfortable with being touched or with any of the procedures being used, please tell me immediately and I will stop right away.

While the methods I will be using are gentle and considered non-invasive, it is possible that physical or emotional after-effects may occur once your energies have been stimulated and adjusted. If any procedure is uncomfortable or leads

to discomfort, please tell me at once. I will stop instantly if you request me to do so and can often provide a technique to counter the discomfort.

OTHER ASPECTS OF OUR RELATIONSHIP

I Welcome Your Questions. Please ask me questions about anything that happens in our work together. I'm always willing to discuss how and why I'm doing what I'm doing.

Touch. Many of the methods I will use are likely to involve touch. Touching or holding points can assist us in identifying and shifting imbalances in your energies. You will always remain fully clothed, with perhaps the exception of your shoes. I will always explain ahead of time where I will touch, and you can let me know if you are comfortable with it or not. And I will always honor any requests not to touch.

Complaints. If you are unhappy with our work together, I hope you will talk about it with me so I can respond to your concerns directly. I will take such concerns seriously and respond to them with care and respect.

Charge. For prices please visit my website: www.abundance-em.com. I do have a referral policy in place: If you refer a new client and an appointment with that new client has taken place, your next session will be \$25 off. Please tell your friend or family member to mention your name when making an appointment.

Cancellation policy: If you have to cancel your appointment, I ask you to give me at least a 24 hr. notice so no costs will occur for you.
